Dental Appointment Agreement

We work hard to meet and accommodate the needs of all our patients and we are dedicated to providing you with the best dentistry and services available.

Time is specifically reserved for you on our schedule. If you do need to cancel an appointment, please call our office 24-hours in advance of your scheduled appointment. This allows us to serve other patients who would benefit from coming in earlier and greatly appreciated. A \$25.00 to 100.00 cancellation fee (depending on appointment length) will be charged if the appointment is broken without a 24-hour notice and must be paid prior to next visit.

If you miss a scheduled appointment or cancel it at the last minute, a broken appointment will be recorded in your dental chart. If you are significantly late for an appointment, a broken appointment will also be recorded, and you may have to be rescheduled if there is not enough time to complete your procedure. If broken or cancelled appointment continue to occur, our office reserves the right to not schedule any subsequent appointments.

This policy is in place to help us ensure our availability to our patients.

I understand the Dental Appointment Agreement and agree to follow the terms of the broken appointment policy.
